

CLOWNING ABOUT...on the farm!

The Amazing Circus left town last night unfortunately the clowns were mistakenly (or perhaps not!) left behind. They've been mucking about and messing things up ever since.

We need to help them find their way back to the Big Top, wherever that might be?

But watch out, the clowns are enjoying their time on the farm and are in no hurry to leave. In fact they'll try every trick in the book to avoid you.

Find the crazy clowns hiding in the maze, help sort out the farm and send the clowns back to the circus!
